

8 February 1980

MEMORANDUM FOR: Chief, Plans and Programs Staff, OL

STAT

ATTENTION:

FROM:

Chief, Supply Division, OL

SUBJECT: Revisions to Procedures Implementing
Executive Order 12036

1. In response to the request for assistance in making revisions to procedures required by Executive Order 12036, the Supply Division would like to offer the following comments:

a. Since the D/L has yet to delegate authority to approve covert procurement actions under E.O. 12036, it is the assumption of SD that we are not operating under the approved procedures at the present time.

b. The attached memoranda outline areas of concern to the Division.

c. The main problem appears to be one of interpretation, and we would appreciate receiving written guidance and direction from counsel in this regard.

2. Please contact [redacted] on extension [redacted] if further assistance is required.
